**Re: In The Matter of Cost Control Associates, Inc. For A Certificate to Provide Electric Supply Services
within the State Of Delaware (Submitted May 1, 2018) - PSC Docket No. 18-0291**

Dear Mr. Choukeir,

The Delaware Public Service Commission ("Commission") is in receipt of the application (the "Application") submitted by Cost Control Associates, Inc. ("Company") for certification to broker electric supply services in Delaware. This submission was severely deficient in meeting the minimum filing requirements for certification as an electric supplier. As stated on the electric regulation webpage of the Commission's website, applications that do not meet the minimum filing requirements may be rejected and the filing fee forfeited. This Application will be rejected and the filing fee forfeited if a complete application is not submitted by May 31, 2018. Please review the Supplier Rules and re-submit the application. The Supplier Rules can be found here:

Shona Marshall
